The Early Start Child Care Resource & Referral Agency is a program of Savannah Technical College. Funded, in part, by Bright From The Start: Georgia Department of Early Care and Learning through the Federal Child Care and Development Block Grant. The Early Start Child Care Resource & Referral Agency offers educational programs and materials to all people without regard to race, color, national origin, age, sex or disability.

Why you should attend a conference sponsored by the Child Care Resource & Referral Agency of Southeast Georgia

1. Earn a **MAXIMUM** of 6 hours of State Approved Training
2. In addition to clock hours required by Bright From The Start, participants will earn CEUs through Savannah Technical College as needed for the CDA credential
3. Network with other child care professionals
4. Opportunity to visit our marketing table filled with information and goodies!
5. Participate in research-based, developmentally appropriate, quality child care training at the local level. No need to travel!

DESCRIPTION OF WORKSHOPS

Infectious Disease - ECE-2 - This training will address the prevention of communicable disease in all areas from birth to school age; in family child care homes and center based care. This workshop has been developed to meet the requirement for all child care providers to have a minimum of 2 hours instruction in disease prevention within their first year of employment.

Injury Control - ECE-2 - This training has been developed to assist providers in identifying common injuries, hazards, dangers and safety issues to assist them in reducing injuries to children in their care. This workshop has been developed to meet the requirement for all child care providers to have a minimum of 2 hours instruction in childhood injury control within their first year of employment.

Child Abuse and Neglect - ECE-6 - This training has been developed to recognize possible child abuse and neglect for children of all ages. This workshop has been developed to meet the requirement for all child care providers to have a minimum of 2 hours instruction in child abuse and neglect identification and prevention within their first year of employment.

My Place in the World - ECE-3 - This hands-on, interactive class will provide participants with opportunities to present social studies' activities in their classroom. Participants will learn to develop activities that will allow children to explore, ask questions and to seek new answers.

Building Self-Esteem in Young Children - ECE-4 - What is self-esteem? It's what you think about yourself and influences your decisions throughout your lifetime. If you think you can, you're right; if you think you can't, you're right! Participants in this workshop will have the opportunity to identify ways to help instill a positive self image in the children in their care.

Speaker of the House - ECE-5 - This hands-on interactive workshop has been designed to assist child care providers in initializing positive communication with families. Participants will learn to make the provider and family responsible to meet the best interest of the child.
